Subject: Parish Council Meeting 27th October 2020

Dear all

Sadly this meeting has had to be cancelled due Tim's barn not being suitable during the colder weather and the village hall being closed due to building works. Tim did talk to Keith Daly about using the church, but under Covid regulations the church is only allowed to be used for church services.

There are a number of important issues to be agreed at this time of year so having discussed with Tim, I will circulate these to all Councillors for their consideration. I would be grateful if you would return your responses as soon as possible and will collate them to form a record of our non-meeting for this time of year.

I hope that you will all be in agreement with this and hopefully we will be able to meet in the Village Hall in January when the building works should be completed.

I will be circulating the email (hardcopy to John Gouldsmith) this coming week.

Stay safe, kind regards, Christine
